Recommended Items

Mizuho Brush
 Basic brushes such as face, cheek and shadow brushes to types such as the multi-shadow and eyebrow brush that have a whole new feel. In chic matt black designs that are above fashion trends.

[For detail >>](#)

Hagi-yaki
 Light and soft, with the warmth of the earth. This gently hand-made earthenware, that changes with age, looks simple and yet has many many fans.

[For detail >>](#)

Mageswappa
 Made by utilizing the straight grain of natural Akita cedar, these traditional Mageswappa items have a history of more than 400 years.

[For detail >>](#)

Japanese Candles
 The manufacture of these Japanese candles can only be done individually by hand. These valuable traditional Japanese craft items are sometimes
